

MARSH & McLENNAN AGENCY | NEW ENGLAND REGION WAS THE PROUD SPONSOR OF PROVIDENCE BUSINESS NEWS' ANNUAL "40 UNDER 40" EVENT

Providence Business News partners with Marsh & McLennan Agency, New England Region to deliver a beautiful awards ceremony for PBN's 2016 "40 Under 40" winners.

Warwick, RI – August 8, 2016– During the onset of Marsh & McLennan Agency's (MMA) new Rhode Island office, MMA developed a strong relationship with Providence Business News (PBN), which opened up new opportunities for MMA to get involved in the Rhode Island community. Through this partnership, MMA was pleased to sponsor PBN's 2016 "40 under 40" event. Every year, PBN has a class of very accomplished and impressive business professionals. This year's class was a diverse group of professionals from different industries whose accomplishments are very impressive, especially considering their young ages. MMA is passionate about promoting the growth of up-and-coming professionals and was proud to sponsor this ceremony for the "Rising Stars" in Rhode Island. PBN is recognized as an organization that holds professional, well-attended events that are great for networking, and are highly regarded in the business community. The Aldrich Estate was a beautiful setting for PBN's "40 under 40" event. The food was incredible and the decision to not have a "sit-down" dinner created an environment that encouraged networking and stimulated great conversations. Katie Knowlton, a Client Executive at MMA in the Employee Benefits Industry, describes her interactions with attendees as *"the best conversations she has encountered at a networking event in Providence this year"*.

Rhode Island offers endless possibilities to form new partnerships, and MMA's commitment to the philosophy of "World Class. Local Touch" blends nicely with the culture of Rhode Island. The Rhode Island community shares MMA's core values of passion, integrity, accountability, collaboration, and innovation, making this an exciting new venture for all involved!
