

MARSH & McLENNAN AGENCY

THE NEW ENGLAND REGION OF MMA IS YOUR LOCAL RESOURCE WITH GLOBAL STRENGTH

Marsh & McLennan Agency (MMA) is a wholly owned subsidiary of Marsh, dedicated to serving the insurance needs of small and middle market companies since 2008. Our parent company, Marsh & McLennan Companies, is the world's leading insurance broker and risk advisor, with over 57,000 employees, and provides advice and capabilities to clients in over 130 countries.

The strength of our solutions lies in the quality of our team. Our 360 degree approach means we look at your company holistically, and create a custom plan that aligns with your business strategies, core values, and culture. We believe collaboration and teamwork are the keys to success and we enjoy working with our clients to build personal and professional security.

Your Local Resource, With Global Strength

In May 2010, the Bostonian Group was acquired by MMA and in November 2012 The Protector Group followed suit. The New England region has grown into the premier insurance consulting firm in the region, with over 150 dedicated professionals covering an array of practice areas to serve your needs. With the complexity and high cost of insurance, we recognize our clients need more than a broker—they need quality consulting, analytics, and advice.

MARSH & McLENNAN AGENCY

THE MMA DIFFERENCE

Marsh & McLennan Agency (MMA) is a full-service insurance, retirement, and risk management firm that specializes in providing proprietary solutions to middle market organizations dealing with the complexity of employee benefits and commercial insurance.

As a subsidiary of Marsh, the world's largest broker and risk advisor, we provide clients with unparalleled access to local service, regional expertise and global resources. This difference is what we call **World Class, Local Touch**—bringing the resources of an international firm while recognizing the importance and value of a local relationship.

CONTACT INFORMATION

For further information, contact your local MMA office or visit our website:

WE SPECIALIZE IN THE FOLLOWING PRACTICE AREAS:

Employee Benefits | We help you optimize your benefits investment by enabling you to attract and retain the best talent. We collaborate with you to design and implement a benefits program that accurately reflects your institution's culture and values.

Property & Casualty | Our goal is to assist you in reducing business and operational exposures to losses or claims that may cause interruption in operations and drastically reduce revenue.

Retirement Services | Our role is to provide top-level guidance to your company's management on all aspects of retirement plan operations. Whether you are converting your plan, changing one or more service providers, updating your investment menu, or fine-tuning your plan on an ongoing basis, we're here to help!

Executive Benefits | Our team works to develop competitive benefit programs which attract, retain, and reward key leadership. We help you to achieve parity across all employees by implementing supplemental benefit programs which close gaps in coverage for highly compensated employees.

Small Business Solutions | For businesses with fewer than 100 lives, our dedicated Small Business Solutions team provides consultative solutions and alternative funding arrangements that best align with your business needs, furnishing personal and attentive service.

Health Management | Our health management team specializes in strategic population health management consulting. We focus on listening to the unique needs of your company; we collaborate with you to implement a program that delivers optimal value and benefit to your community.

Personal Insurance | Our number one priority is making sure you are properly protected. We provide you with a personalized needs assessment rather than just a quote so you can make informed decisions.

Surety | We built solid relationships with a variety of surety companies in a broad spectrum of markets for both large and small contractors. We analyze your needs and requirements to find the solution that fits you best.
