Marsh & McLennan Agency invites you to join us in the **WGBH** studios for a dynamic discussion on **Politics, Business & Talent: Where do we go from here?**

- The elections are behind us, but the political and business implications on Healthcare reform are very much in our future. We will discuss the political impact of Healthcare reform post-election and what we can expect to see in the coming year.
Speaker: *James Slotnick, Assistant Vice President, SunLife Financial*
- We have all heard it before, but it's more paramount than ever: How do we attract and retain the top talent? How do we blend working styles to maximize productivity and build positive cultures? Listen in as top local leaders participate in a panel discussion on the "Talent War" and the steps they are taking to grow their people and business.

Moderator: *Lori Baronian, HR & Talent Director, Marsh & McLennan Agency*

Panelists: *Local Industry HR Leaders*

WHO SHOULD ATTEND: Business leaders, HR & People Officers, Employee Benefits Executives, and anyone who is interested in the direction of Healthcare and talent acquisition/retention.

- Seating is Limited. Please **REGISTER**.
- WGBH Tours available post event
- Complimentary Parking
