MARSH & McLENNAN AGENCY

THE MMA DIFFERENCE

Marsh & McLennan Agency (MMA) is a full-service insurance, retirement, and risk management firm that specializes in providing proprietary solutions to middle market organizations dealing with the complexity of employee benefits and commercial insurance.

As a subsidiary of Marsh, the world's largest broker and risk advisor, we provide clients with unparalleled access to local service, regional expertise and global resources. This difference is what we call **World Class, Local Touch**—bringing the resources of an international firm while recognizing the importance and value of a local relationship.

WORLD CLASS. LOCAL TOUCH.

In May 2010, the Bostonian Group was acquired by Marsh & McLennan Agency and in November 2012, the Protector Group followed suit. Marsh & McLennan Agency's New England region has grown into the premier insurance consulting firm in the region, with over 150 dedicated professionals covering an array of practice areas to serve your needs. With the complexity and high cost of insurance we recognize our clients need more than a broker, they need quality consulting, analytics, and advice.
